

Congratulations Lake Superior Chapter Members!

It is with a great deal of pride that I make the following announcement. Yesterday, November 1, 2007 we were chosen as **CHAPTER OF THE YEAR for 2007** in the category of chapters with 251 or more members. This is **our third consecutive year** of receiving this honor. This is unprecedented and has come about because of each and every one of you. Your membership, your attendance at our different fund raising events, your general participation in other events have all combined to help us achieve this honor.

Thank you all for your efforts and please start making your plans to attend our 10th anniversary fundraiser on April 11 & 12, 2008 at the Grand Casino in Hinckley, MN.
